#### STEWARDS REPORT :

While exiting the stalls CREATIVE GENIUS, in spite of his jockeys efforts, shifted suddenly towards the inside and caused IVAN GROZNIY to lose his place.

-A strict recommendation was made to jockey Mixailidis N. who rode GIANNIZZERO, for not keeping his position at the first meters of the race.

-The objection made by the owner of LAURA B who finished 3rd, against CREATIVE GENIUS who finished 2nd, invoking that he was bothered at the first meters of the race is not accepted, because the pressure that CREATIVE GENIUS applied on LAURA B did not alter the result. Therefore (Article 148 of the R.C.) the result remains as it was. The fee is returned.

Because of the above, the jockey Tsela E. who rode CREATIVE GENIUS, is fined with fifty euros (€50).

6	MARKET SHARE (GB)	6	Gelding	b	Mikoniatis I.	Mastorakis K.	56		01:45:56	9 3/4	(6)

#### STEWARDS REPORT :

-GAME ALL was withdrawn because there was no other jockey to replace Psaradakis I. who was injured.

-At the 2nd stride MARKET SHARE tripped. The same horse was referred for veterinary examination and after endoscopy was found to have pulmonary hemorage (blood in the trachea). Not racing for 1 month. Vets: Arvanitis, Antoniou.

-The jockey Keratsas P., who rode the horse NASHMI was fined with fifty euros (€50) because he returned 900gr overweight.

-The horse NASHMI had a nose bleed. Not racing for 1 month. Vets: Arvanitis, Antoniou.

-The examination of the incident where the new jockey Psaradakis I. dismounted underway as well as all the 3rd race by LEGENDARY LAD. The new jockey stated that he felt his horse having trouble at his waist or his back legs and he was afraid that he might fall. So he slowed down the horse and then jumped. Also, the Stewards found that at the beginning of the race the new jockey after starting successfully, while he was ahead, did not try to stay at the head of the race, as he was instructed by the trainer, but had his head and his look permanently turned towards the horses that were gaining ground at the outside. That, in combination to the fact that he didn't push his horse, resulted in the two horses that were coming from the inside to lead the race at the 1.050m. The jockey, when examined, claimed that he chose not to follow the fast pace that those horses had even though as he stated, he was instructed to lead the race. Afterwards, the trainer mr. Mikoniatis Ar. was examined, who stated that the jockey should have continued with his effort to lead the race, as he could have and considers his jockey's choice to be a mistake. The Stewards after having examined the reasons for the jockey's dismounting they accept the explanations since, since the horse who was remaining under veterinary observation, had a nose bleed(Not racing for 1 month. Vets: Arvanitis, Antiniou). At the second part of the examination, they found that the jockey unjustifiably reduce his efforts at the first part of the race and in combination with the incident, was looking constantly at the horses that were gaining ground from the outside, he is fined with banning of ten (10) race days as well as a

strict recommendation for the future.
